Dear

STAT

This is to advise you that Mr. Everett Holt, Assistant Director for Rubber of the Chemical and Rubber Division, has retired. I am, therefore, returning the following Secret documents which were sent to him:

CIA No. 463378, dated 5 July 1957
CIA No. 463906, dated 26 August 1957

The collection of statistics on rubber has been transferred to the Bureau of Census, leaving Mr. Holt's assistant, Mr. Earle S. Overlay, as the specialist on rubber matters in this Division. Mr. Overlay would, therefore, be the logical successor to Mr. Holt on your Committee in the event that you require the services of a rubber commodity member on the Committee.

Sincerely yours,

Lowell B. Kilgore
Deputy Director
Chemical and Rubber Division
